EDITORIAL

Well, as you who receive our mailings already know, I have finally had some new pictures taken of me. I argued against this for many years, but that wily minx, Tina Alameda, finally convinced me that I owed it, in some way, to stand up for what I have preached about all these years. As you know, I am a champion of the older TV and believe that a "woman" often reaches her most attractive state as she ages. Men and women do tend to blend together much more as they age anyway and many sexual aspects are traded between genders in the later years.

Now, I am hardly aged. In fact, I am only the same age that Jack Benny claimed to be for about thirty years. But I suppose I was holding on to some vain, glorious image of my youth and trying to keep that illusion alive, in photos at least, by using my prime photos from the 1960s and early '70s.

Well, you can now purchase the whole tea and nothing but the tea, if you join our membership discount club for only. . . well, check out the details in the back of the book.

I know this is ransom-like in a way, but I ended up being so pleased with Tina's camera craftsmanship that I thought (hoped) some of you would enjoy having an 8 x 10 glossy of this old bag. The membership discounts are certainly worth the price of the membership, and we will be cooking up some more perks for you as we go.

So, I hope that I haven't set myself up for inordinant ridicule. Tina assured me I haven't, but she can be a lying bitch. And I hope that in turn, more of you will send me your photos.

Regarding photos: We have loosened the stricture requiring multiple I.D.s for your photos in the magazine as long as they are conservative enough to print. No genitals and such. So those of you who have held off doing so — send in your photos NOW!

Love,
Kim

Dear Kim,

Having been a subscriber to *F.M.I.* for the last two years, the inevitable finally happened. My wife, Clara, opened my latest copy of *F.M.I.* by mistake. After some heated conversation on the subject of crossdressing, she finally stormed out of the house. Later that evening she returned and, much to my surprise, she told me she wanted to participate and that this Valentine's Day would be a perfect day to do so. I couldn't figure out the complete turnaround, but I wasn't going to argue.

When she left for work on the big V-Day, she instructed me to be ready for her when she got home and she added I'd better look sexy. The anticipation of her plans really had me excited, I could hardly wait. What follows is a day I'll always remember as my Valentine's Day surprise.

With mystery and sex on my mind this Valentine's Day, I just had to be perfect for my wife's first encounter with "Desiree," the hot-to-trot transvestite. Not a second after my wife left for work, I hurriedly set out my very sexy attire on the bed. After applying my bewitching makeup, I adorned my fingers with two-inch dragonlady hot pink nails. I then carefully attached my niteblack Evan Picone silk stockings to a very lacy, hot pink garter belt.

With my penis tucked away, I squeezed my bod into a very tight and very hot pink leather mini-dress. Oh, how I love the way it surrounds my fannies and pushed up ass. With my five-inch spike heels to match, my curves can and do

pass very easily for a hot and ready blonde bombshell.

After fluffing my supergirl blond wig to perfection, I convinced myself to act as any hot and horny bitch would do on Cupid's love day. Believe me when I say that is not hard for me to do on any

occasion. Spending the day just lounging around the house, ever so feminine, was a complete joy.

Then my heart nearly jumped out of my throat when I was suddenly surprised by Karen, one of my wife's friends. It turns out Clara had told her of my sissy ways the night she had stormed out of the house. I was totally surprised when Karen told me she just loved little sissy boys and that Clara had instructed her to spend today training me to be not only a perfect woman, but also a cock-sucking whore. When she took off her long coat, I knew right then she meant business.

Adorning her body were thigh-high spiked boots, a studded bra and there dangling from her hips was the longest black dildo I'd ever seen. The contrast of the thick black cock and her creamy white thighs was absolutely beautiful. She informed me that by the time my wife arrived home, I would be a master at sucking cocks and that my tight little ass would be transformed into a luscious wet pussy.

She told me proper queens never have hard dicks and she slipped a very, very tight band around my cock and balls. My newfound master now instructed me to make love to her manhood and to relax my mouth, for I was to learn to take it all down my oral love canal.

On my knees I went and started licking the dildo. With a slap from her, she commanded me to suck it, not lick. I stretched my mouth as wide as I could and nearly gagged as the cock jammed against my adam's apple. She threatened me to

take it all now or I would have to suck it after she had deflowered me. With that thought, I swallowed and it inched down my throat.

Each swallow got me a little closer and there was no relief until my nose touched her pubic hairs. Upon my triumph, she grasped my head and started fucking my mouth, calling me a very talented little queer, all the while. She suspected this was not the first cock I'd ever sucked and she was right, but I'd never been forced before and this was quite different.

Just as I was beginning to enjoy the abuse to my mouth, she jerked her cock out and ordered me to the bedroom. She unzipped my dress and checked my cock for any sign of hardness and then told me to take my dress and panties off and to prepare my "cunt" with a lotion she handed me. As I coated my anal opening, I began to feel a numbing, tingling feeling. She then told me to lie on the bed, face up and spread eagle. Doing as commanded, she raised my legs up so far I thought I'd nearly split.

"Now," she said, "just lie there and get used to the discomfort women go through to please men, for your turn is coming." She left me and went to fix herself a drink. Karen then sat down and began greasing her dildo with some kind of lotion. Curious to the lotion, I asked, foolishly. She laughed and said, "Only something to light your fire, honey."

She took forever to finish her

better get used to sucking black cocks for she had an inkling that I'd see a lot more of them before the night was over.

I must tell you at that point I was so excited I was begging her to jack me off. That really pissed her off and she smacked my tender cheeks until they stung like fire. She said, "If you think that hurts, wait until you get a load of this," with that she shoved her dick into my butthole and I suddenly realized what she had put on it was burning my newfound cunt like fire.

I must admit, though, once she had worked her toy in and out of me a few times, I began to love the feeling. She said she would have to tell Clara that she thought my asshole was a little too loose for me to be a virgin. I admitted to Karen of my anal exploits with my own dildo and begged for more. I only wish I could have let loose of my load, for the pain in my cock and balls was nearly unbearable as she fucked me.

After what seemed like an hour, she finally dismounted and then stuck the oily cock in my face and told me to clean her tool. After a little objection, she told me she was in charge here and that I didn't have a choice. I did as she instructed and was relieved when she let me loose from the bedposts.

As I lowered my legs, I was shocked to see Clara standing behind Karen just smiling. Karen told her what a good little TV slut I was and that I deserved my reward.

"Karen told my wife what a good little TV slut I was and that I deserved my reward."

drink and kept on telling me how pleased Clara would be with her new TV slave. She said that I'd With that, Clara called for Ray and Norman to come into the bedroom. I was shocked to see two very well-built naked black men enter. Clara told me to service these two studs and that I'd better enjoy it because, "Once you've gone black, you never go back."

I eagerly attacked my two admirers by getting on my hands and knees and engulfing one's cock down my throat as the other started pumping my ass from my backside.

good little sissy-girl and do everything your wife says, because you should be very grateful to have someone that loves you enough to keep both of your holes plugged.

Kim*

Dear Kim,

I have thoroughly enjoyed *F.M.I.* and I believe I have all the copies. Your articles and pictures are first class and the stories are great.

I am enclosing a picture of

is the exciting world of competition and shows. Sooner or later they must have to make up their minds to live entirely, one way or the other.

I hope I've made my point clear enough, because I know I speak for a lot of us who will never get the opportunity of living our lives out as we would want to. So we would like to have a more personal view of these beautiful women.

Briefly about myself: I am a middle-aged professional person and have been lucky enough to pass in public. Being Bi, I have enjoyed

"I know I speak for a lot of us who would never get the opportunity of living our lives out as we would want to."

I was in complete heaven as the two warm cocks satisfied me by exploding series after series of hot cum into my love openings.

My two Mistresses applauded my feminine talents and told me to smile for the video. As I smiled, cum oozed out of both ends and I collapsed with gratification as I reveled in the thought that I'd get to relive this very special Valentine's Day via a video.

Love, from a new and happy TV slave,
Desiree

Dear Desiree,

Goodness, what a wonderfully communicative relationship you have with your wife. Were all wives so fun-loving and were it that all wives had such fun friends. Now we hope that you are going to be a

myself and hope you will have a chance to print it.

Besides the above, I am writing to ask for more information and more personal data about the extremely beautiful girls you publish about. Particularly the California contest winners, etc.

I believe I speak for most of us TVs and TSs. We would like to know more about their day-to-day activities. What do they do when they are not in a contest or away from a show they might be in?

Certainly from their looks and bodies, they can not perform as males during the day. And I must say, quite a few of them look intellectually smart enough to lead reasonably normal lives. It would be fun to know about their growing up — about their families. What do their families think about them, etc, etc.

All we really see in the magazine

the experience of those wonderful things called "men."

Thanks again for listening to me, and I look forward to seeing your beautiful picture in the front of your magazine.

Love,
Carol

Dear Carol,

Thank you both for your letter and your inquiries. The life of those who participate in the contests you see on our pages are varied and unique. Your assumption that many can no longer pass as male is true, and yet they are often not quite passable as female in the glaring light of day, so it makes for an awkward existence.

Some face this situation with trepidation and fear, others courageously brave the stares and

derision of the great unwashed hordes. Some are miraculously versatile, passing as men in public without the slightest hesitation.

Like any large, diverse group of people, few generalizations can be made that will apply to all.

*Best,
Kim*

Dear Kim,

I hope this letter reaches you and that maybe you are interested enough to write back. If not, I will understand. I just want to put down on paper the things that I dream about whenever I see a photo of you, or when I just have a passing thought of you for whatever reason.

First off, let me say that I think you look fabulous whether you are dressed in an evening gown, pants, shorts or sports dress — but I just go weak in the knees when I see you dressed in your dominant attire. I look at your fantastic legs and all I care about is kneeling before them and worshipping them with all the desire that I have in me.

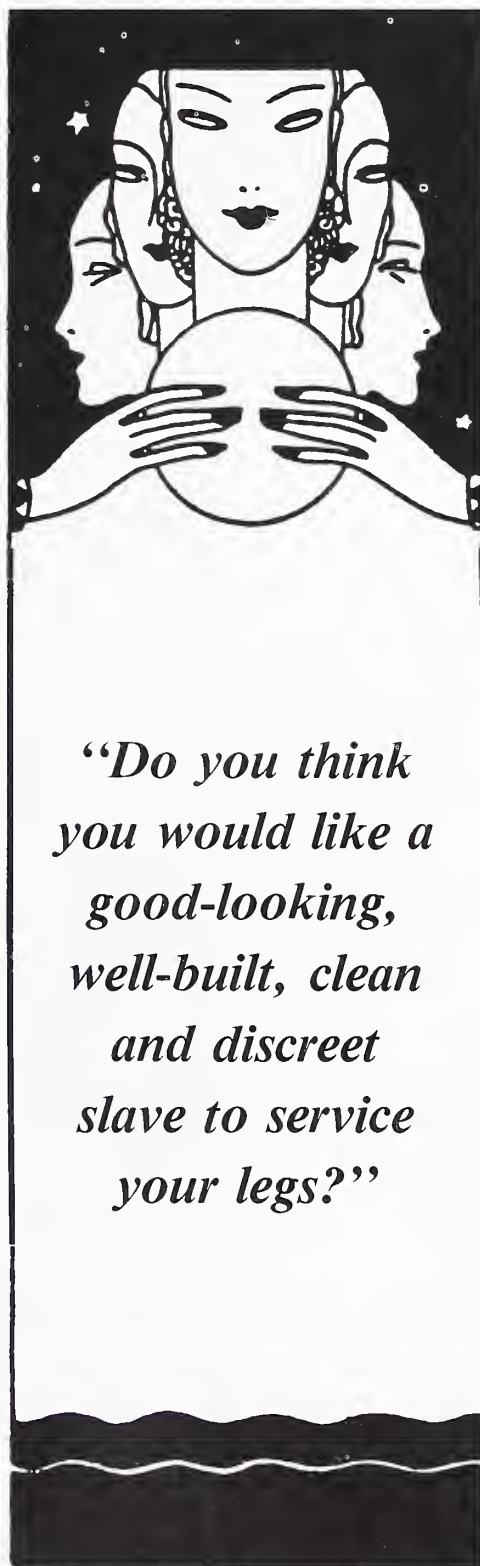

I dream of coming before you, and you take one look at me and you decide that 'yes', you would like to take me as your personal slave and force me to service you.

You would crossdress me to your liking, and then you would start to put on one of your dominatrix costumes. And when you are ready to put on your knee-high leather boots, you would sit back and say, "O.K. slave, lace my boots and by the time you are done, I'd better be good and hot."

I would kneel before your amazing nylon-clad legs and gently caress your calves and massage them. Next, I would slip on your boots and lace them up, making sure they are tight and clinging to your very shapely calves. I would stay on my knees as you stand and walk around the room, showing off your gorgeous body and legs. Then you would walk over to where I am kneeling and you would place a collar around my neck and attach a leash to it.

Now I am your slave.

After you parade me around the room by my collar and leash, you would sit and order me to kneel and place myself between your legs. You would then tell me to massage them and kiss them for as long as it

takes for you to become hard and excited. You would extend your magnificent legs around my neck and squeeze my face between your thighs. Now you are moaning with delight as I kiss and suck on you till you are wild and ready to explode.

After you come and relax, I would still be ready for you when you decide to come again.

Does this type of fantasy turn you on?

I am a white crossdresser, age 34, very clean and very discreet. I am not into pain or torture of any kind. I just have such a strong fetish for legs, high-heels, boots, leather, costumes, etc; and I don't imagine anyone who I would rather be a slave to than you, Kim. I would love to gently kiss and suck on your whole body — but I will forever and always be a captive to those fabulous legs you have.

Do you think you would like a good-looking, well-built, clean and discreet slave to service your legs?

I've enclosed a few photocopies of myself along with some of the photocopies of you to show what I look like dressed. I hope that they interest you enough to write.

As I said, if you don't write, I'll understand, but I just had to write and take a chance. Who knows? Maybe you will receive this letter and like what you see enough to want to meet and explore a relationship.

Well, so long for now and I wish you all the best and lots of love and happiness.

Darling,

Thank you so much for the completely descriptive letter.

I'm going to have to not take you up on your offer as I am committed elsewhere, but, my oh my, is it fun to get letters like this. I would love to share the pictures you sent with all our readers, but we don't have your proper documentation. That's alright. Sometimes it's fun just to leave it all to the imagination.

Thank you again for making my panties feel suddenly too small.

*Love,
Kim*

BELLES OF THE BALL: VANESSA SANTONI

Those of you in the know have watched the meteoric rise of the blonde-haired, blue-eyed goddess named Vanessa in the pages of our rag.

She is graceful and totally feminine and not without a certain haughty grandeur that separates her from mere mortals. These qualities have only helped to elect her into the royal positions she has accrued. In fact, she is the queen of so many provinces, it would take a monarchical archivist to research the data. Enjoy these photos and look for more in this series on the Belles of the Balls.

As we bid adieu to Vanessa, we linger in the multi-colored glory of her sequined presence and send a tiny prayer heavenward that we might incarnate someday into a vessel nearly as beautiful.

Morelle Standards

Morelle standards have certainly changed. What you might recall was once a raven-haired cupcake of a beauty has transformed into a svelte platinum nova. When queried on her new appearance, Morelle explained, "Once you have made the initial transformation from man to woman, the desire to evolve and transform does not necessarily go away. I want to be a woman, but a constantly changing woman."

Morelle evokes the wonderful glamour of the classic fifties blonde bombshell in her new look. Graced with a very petite body, the question of whether she "passes" or not is never brought up. As a matter of fact she had a recent job as a female wrestler where no one, not even her opponents, knew her true gender.

But if you want proof of her true male-ness, in a genital way, then look to the back of our book and you'll find ordering information for Morelle's new She-Male Solo. Morelle was unusually expressive and our cameras all had to be sent out for dry cleaning afterwards.

We hope that since Morelle has reappeared in our lives that we will be able to offer even more of her lovely countenance and figure to our readers. Morelle graced our cover twice before that we can remember and both those issues sold out very fast. Be sure to not be left out in the cold and purchase her video or photo set soon!

What to do on a Rainy Day?

By Kim Christy

*Often a lazy gloom can bespoil a drizzly day when
you could make use of this down time for a little
fun and fantasy.*

*If you are just going to sit around and watch TV
you might as well dress like one as well. That
Saturday afternoon golf game is so much
more exciting when your legs are encased in silk
and your wig is so big you have to duck to get
through the door.*

*Try on the wife's wigs. She's gone, you're all
alone, she'll never know. Go ahead. Put it on. Oh
my God, doesn't that feel good? If only you
weren't so much bigger than her, you could fit
into her clothes as well. Damn, is that her car
in the driveway?*

Invite a friend over for hours of fun and play. You'll never know what kind of mischief you can get into with a few vessels of make-up, a few curlers and some knee-high, lace-up, black leather boots.
